To the staff, volunteers, donors and members of First Baptist Roswell, we want to thank you. The donations that were so generously given to the Foster Care Support Foundation during the Angel Tree Christmas giving were fabulous and just what the children will need and enjoy. Three thousand children benefited from donations and goods provided by our communities in 2014 and First Baptist Roswell is at the forefront of giving and caring for the least of these each year. Thank you for the clothing, toys and gift cards which will help provide for the next 3000 children entering the doors of Foster Care Support throughout this year. Please feel free to come volunteer during the year or tour our facility to learn more about how our program works. Warmest regards and a thankful heart,

BILL BARKER TO KICK OFF NORTH AMERICAN MISSIONS EMPHASIS

Wednesday, February 25, 2015

Missionary Bill Barker serves through the North American Mission Board as Director of the Appalachian Regional Ministry (ARM). Bill knows all about the needs of the people in an area that touches 12 states, from Alabama to New York.

Most of the people who serve along with Bill are short-term volunteers from SBC churches just like ours. They do everything from leading basketball camps, organizing Easter egg hunts, presenting musical concerts, to building handicap ramps for the elderly and disabled.

Much of Bill's financial support comes from the Annie Armstrong Easter Offering, which our church will promote during March (*).

GAs, RAs and our adults will enjoy hearing Bill on February 25 at 6:30 in the Chapel.

* Watch for promotion details for AAEO in the weeks to come.
